

2021 Parent Payment Arrangements - Year 12

Dear Parent

Eltham High School is looking forward to another great year of teaching and learning and would like to advise you of Eltham High School parent payment arrangements for 2021.

Please find the fee schedule for Year 12 attached. Please complete payments as indicated in the body of this document by Thursday 1st April so the school can prepare accordingly.

Eltham High School makes every effort to keep the cost of items and activities to a minimum and affordable for all parents.

The Victorian Government provides most of the school's requirements in the form of salaries, land, building infrastructure and maintenance. The Government also provides funding for curriculum and some student services. However, the educational programs and the level of student services offered at Eltham High School stretch beyond the basics. As such, the Eltham High School Council, like most other school councils in the state, requests that parents make a contribution to allow the school to deliver programs and services to our students that meet community expectations. Your contribution enables the school to purchase a variety of resources to provide the best possible education for your child.

There are a number of services that Eltham High School provides, including:

Essential Student Learning Items

These include the Physical Wellbeing Program, Student ID card, photocopy credit, Pastoral Care programs, as well as the Year 12 Guest Speaker Program and curriculum based resources provided to students in lieu of textbooks.

Optional Education Items

Items in this category are beyond the provision of a compulsory curriculum and are offered on a 'user pays' basis with the expectation that if families choose to access them that the fee will be paid in full. The Optional Education Items for Year 12's include:

- The annual School magazine Mercury: This is a record of the year's events.
- Elective Subjects that incur costs for materials and activities above the standard curriculum
- Year 12 end of year activities (including celebratory breakfast, Formal, Valedictory). Approximate cost is \$230. Further details will be made available during Term 3, 2021 with payment to be made via Compass Events
- Headstart Program (Study Skills and Pathways/Education Day at RMIT University). Further details will be made available during Term 4, 2020 with payment to be made via Compass Events.

Voluntary Contributions

We seek your support with contributions to:

- **The Eltham High School Building Fund**

This is a voluntary tax deductible contribution. School Council has called on these donations to undertake building works, building maintenance, purchase of major capital items and installation of infrastructure e.g. to support improved ICT delivery throughout the school. This work is generally not funded through the State Government budget process.

Much has been achieved with improvements to school facilities. Building Fund contributions have been put to good use with the installation of cooling to many parts of the school, installation of shade sails in the Canteen Courtyard, upgrading of learning spaces and most recently, helping with aspects of multiple building projects.

There is still more to be done and your tax deductible contribution will assist us with this ongoing work. We will continue to improve many facilities in the school in order to provide the best possible learning environment and experience for our students.

- **General School Contribution**

This allows for the employment of our First Aid attendant and Maintenance team, as well as additional equipment, materials and resources for the Library and other areas of the school to enhance the learning environment and student outcomes. While this is a voluntary contribution, we do ask you to contribute, as it does greatly add to the betterment of the services that the school can provide.

Please Note: Voluntary Contribution charges do not appear on your Family Statement. They may be paid via the Compass Parent Portal, cash, credit card or cheque.

Payment Methods

2021 School Approved Contributions are available to pay on Compass and is Eltham High School's preferred method of payment. Fees may also be paid for by cash, credit card (over the phone or with the cashier) or cheque.

Please refer to the Eltham High School website regarding the school's Parent Payment and Refund Policies.

Financial Support for Families

Eltham High School understands that some families may experience financial difficulty and offers a range of support options, including:

- the Camps, Sports and Excursions Fund
- State Schools Relief
- assistance in accessing local community support agencies and grants
- flexible payment plans

For a confidential discussion about accessing these services, or if you would like to discuss alternative payment arrangements, contact:

Jacinta D'Avoine – Revenue Administrator

Ph: 03 9430 5118 | Email: accounts@elthamhs.vic.edu.au

Yours sincerely,

Vincent Sicari
Principal

Hilary Cantwell
School Council President

2021 Parent Payment Arrangements - Year 12

Voluntary Contributions

Eltham High School continues to welcome your voluntary contributions to support our school.

You can make a general voluntary contribution that goes towards all of our school's important priorities for 2021 as well as providing additional activities and services for all students.

Alternatively, you can make a voluntary contribution to any of the specific priorities outlined in the table below:

Voluntary Contributions	Tax deductible?	Suggested Voluntary Contribution per family				Amount
Eltham High School Building Fund	Yes	\$90	\$120	\$150	\$200	\$
Eltham High School General Contribution	No	\$150	\$200	\$250	\$300	\$
TOTAL						\$

Your child will not be disadvantaged if you do not make a voluntary contribution. All records of voluntary contributions are kept confidential as well as your decision about whether to make a contribution or not.
