2019 Year 12 High Achievers

STEPHANIE KERVIN

I remember going to the Monash University Open Day, a staff member saw my Year 12 hoodie. He said, "you know, other schools, they'll try to push you towards the top courses, like medicine and law. Eltham, not so much. They'll support you to do what YOU want to do." At Eltham High School, whenever I showed drive and passion for my own initiatives, or signed up for new activities being offered, support from the school community came pouring out of the woodwork to give every boost I needed, and then some.

The school's wide variety of extra-curricular activities including the Volleyball Program, drama tour to the Adelaide Fringe Festival and touring the world with the Symphonic Band, has allowed me to discover what I enjoy in life. The support from my teachers throughout my schooling has inspired my strong desire to learn about and understand the world around me. The appreciation of beauty in art and the creative arts has allowed me to find my path and determine a future comprising both these elements.
