PRINCIPAL'S REPORT

Student Achievement: Northern Metropolitan Region (NMR) Cross Country Final

Congratulations to all the students who competed in the NMR Cross Country finals on Wednesday 15 June at Bundoora Park. All runners competed in less-than-ideal conditions to achieve outstanding results with six of our students finishing in the Top 10 performers.

Please refer to the Sport Section of this Newsletter for more detailed information.

A big thank you to the staff and in particular to Bree Pascoe (Sports Coordinator) for their organisation of our students and for supporting them to achieve such amazing results.

Eltham Drama

Congratulations to the Junior Drama ensemble on their performance last week. Whilst I was not able to attend on any night due to other commitments, I know that they performed brilliantly, and the audience felt well entertained. A great effort on the part of everyone.

This week the Senior Drama ensemble will perform '60 Second Plays, a lot of them' between the 21-23 June inclusive, starting at 6:30pm in the Drama Space.

Tickets available from:

<https://www.trybooking.com/CABCY>

I am sure that you will enjoy these performances.

Changes to vaccination Requirements in Mainstream Schools

As you would be aware, following advice from the Acting Chief Health Officer, the Victorian Government recently announced changes to the pandemic orders.

There will no longer be a mandated vaccination requirement for staff working in mainstream schools. This change will come in from 11:59 pm Friday 24 June, so in effect from the start of Term 3 2022.

With almost 100% of school staff now vaccinated across Victoria, this will cause little change to our school.

As part of the changes, from 11:59 pm Friday 24 June 2022, parents and carers who have COVID-19 can transport their non-COVID-19 children via private vehicle to their primary or secondary school when an alternative person is not available to assist. This will include school holiday programs held on school grounds.

This means that parents and carers will be able to leave COVID self-isolation to take their non-COVID-19 child to school or school holiday programs via a private vehicle.

The parent or carer must travel directly to and from the school only. They must remain in the vehicle at all times, unless it is reasonably necessary to leave the vehicle to walk the child to and from the entrance of the school safely. They must wear a face mask at all times.

Family members are asked to continue reporting positive COVID-19 cases to both the Department of Health and our own testing portal.

You must also let the school know if your child is a close contact. Students who are close contacts and want to attend should still take 5 RATs over 7 days and wear a face mask whilst indoors if they are aged 8 years or over.

Students should continue to stay home if they are unwell, even if they test negative on a RAT.

Thank you for your support as we continue to make these adjustments.

Semester 2 Professional Practice Days

For Semester 2, 2022, the Department of Education and Training has provided schools with the option to hold each teacher's allocated Professional Practice Day on the same day for all staff. This is to enable the most effective and efficient use of this day.

As a result, we have scheduled our Professional Practice Day for Term 3 on Tuesday 16 August. Students will therefore not be required to attend school on this day.

The Term 4 date will be communicated to you prior to the conclusion of Term 3.

Working Bee

A big thank you to everyone who attended the School Working Bee on Sunday 19 June. A great deal was achieved including weeding, pruning, and planting.

It was great to see several students attend and help with the work.

A big thank you to the Grounds Committee for its commitment and hard work in planning for the day and a thank you to Mrs Anna Panas who works with the Grounds Committee to ensure that the day runs smoothly and efficiently.

For those of you who missed out this time, there will be other opportunities in Term 3.

End of Term 2

As we approach the end of Term 2, I wish to congratulate all of our students and staff for their resilience throughout what proved to be a rather challenging time. I also want to thank all of our parents/carers for your ongoing support and acknowledge that experience over the last few months with COVID-19 and other ailments no doubt put further pressure at home.

Regardless we managed to achieve our very best by working together and supporting each other.

I encourage everyone to take some time out to rest, relax and re-energise prior to the start of Term 3.

Whilst I know that for our senior students it is important to remain connected with their studies, it is equally important to take some time out to do some of the fun things that you are not able to do during the term. Planning and moderation is a good way to provide time for study and time away from study.

As is customary at the end of each Term, school will finish at 2:30 pm on Friday 24 June. I ask parents especially those of our younger students to arrange safe travel home at this earlier time.

I wish everyone a fantastic well-deserved break.

VINCENT SICARI, Principal

STUDENT AGENCY AND GROWTH

School for Student Leadership – Community Learning Project Presentation Day

On Friday, June 17, it was my great privilege to visit our Year 9 students at Gnurad-Gundidj, the School for Student Leadership. It was a fantastic opportunity to reflect with our young people on their growth and learning so far and speak with them about their project, as well as see the strong connections they have made with so many from all over Victoria.

After sharing a meal, I was able to listen to the presentations of not just our Eltham students, but all students participating in the program this term. It was great to see all the varied and thoughtful projects the different school groups had identified as being pertinent to their community. The enthusiasm the students presented with spoke volumes for their passion and keenness to come back into their communities and make a difference next term.

While I don't want to share too much about the Community Learning Project our young people have begun working on, I will say I am excited to see CUP RESCUE come to fruition in our community later this year. I know the group are very excited to hit the ground running in Term 3 and you should expect an update from them very early in the term.

HARMONY TEAM

Harmony Team Food Drive

The Harmony Team will be having a food drive to collect food and goods for the Asylum Seeker Resource Centre (ASRC). From Wednesday 15 June (Week 8) through the end of term on 24 June please drop off your donations to the Front Office.

The ASRC is a not-for-profit organisation which supports and empowers people seeking asylum. They provide over 35 programs including food and material aid, healthcare, education, and training and employment pathways, legal aid and detention advocacy.

Food is one of the most basic of human rights, and the ASRC currently provides free groceries to around 1000 people every week, most of who have no income and no work rights. Every donation makes a difference. This is especially true given the pandemic.

Below are the most needed items.

1. Tuna in oil (400g)
2. Tinned tomatoes (400g)
3. Raw, unsalted nuts
4. Honey in small bottles
5. Spices – turmeric, cumin, chilli
6. Dried fruit
7. Disposable razors
8. Dishwashing liquid (500/750ml)
9. Shampoo + conditioner (350/400ml)
10. Laundry powder (1kg maximum)

Please note that they do **NOT** need:

- Baked beans and tinned spaghetti
- Canned or packet soups
- Highly processed, ready-made meals such as packaged mac and cheese
- Sweets, soft drinks and chips
- Sauces and other condiments

STEAM Club

STEAM Club is run by Ms. Boysen during lunchtime in Room 802 on Mondays (week B). Bring your lunch, laptop and friends!

CSIRO Virtual Work Experience Program

The Virtual Work Experience Program (VWEP) allows students the opportunity to experience contemporary ways of working, from homes, and with people across geographic boundaries, just as CSIRO scientists do every day.

VWEP supports students to undertake work experience despite COVID-19 interruptions, and provide opportunities for students who may face geographic or other barriers to participating in traditional work experience.

Students will undertake collaborative, group science, technology, engineering and maths (STEM) projects, including projects linked to real-world CSIRO research and industry challenges. Instead of students attending a CSIRO site, experienced CSIRO staff or STEM industry professionals will supervise groups of students remotely online.

The groups will comprise up to five students who may be remote from each other and who will work together to complete work and tasks that can be used as part of portfolios and help inform their study and/or career plans. Register [here](#) for 2022.

PULSE@Parkes: New sessions available

Would you like to use the iconic, 64 metre Parkes radio telescope, Murriyang, in real time to observe some of the most extreme objects in space?

PULSE@Parkes is a free program for students in Years 10 to 12. During a session students see how the telescope operates, select pulsars, analyse data, and interact with our team of astronomers. Students can ask questions about astronomy, careers in science, and study options. Sessions run remotely so students across Australia are encouraged to apply.

Inaugural Youth Summit Sparks Project Ideas

Student leaders from across the Shire have made recommendations to Council on actions to support young people locally at the inaugural Nillumbik Youth Summit. More than 50 students from Diamond Valley College, St Helena Secondary College, Eltham High School, Catholic Ladies College, and Montmorency Secondary College attended the summit on Wednesday 25 May to discuss the topics that matter most to Nillumbik's young people.

Keynote speakers included writer and transgender rights activist Nevo Zisin, Australian Paralympian Jaryd Clifford and Hayden Rujak Founder of local charity Hayden's Helping Hands.

Participants made a number of recommendations for action including a youth hub, gender equity working group, solar panels in schools, comprehensive sex education, parent education sessions and recycling workshops. The recommendations were presented to the Mayor, senior Council staff and representatives from local youth services.

The Youth Summit was designed by young people for young people who are passionate about leadership, advocacy and the community in response to Council's Youth Strategy 2022-2026. The Strategy provides an integrated approach to ensuring Council continues to value and incorporate young people into Council by providing meaningful opportunities for young people, valuing their contributions and empowering them to help shape our community.

Did your Granddad serve in Vietnam?

Here is an invitation for students and parents to attend our annual Vietnam Veterans Community Memorial Service on Saturday 13th August 2022.

Not to celebrate war but to honour those who paid the supreme sacrifice during the conflict and those that have since passed on - and we are particularly encouraging local schools to put together a representative group to attend.

Music will be provided by Viewbank College Senior Concert Band and will be played from 10.30 am - the Service commences at 11.00 am and will conclude at around midday.

The Catafalque party is provided by 39 Army Cadet Unit, Simpson Barracks.

The Service will feature our Sub-branch chaplain and after the service, visitors are cordially invited to join the Sub-branch members for refreshments at the Greensborough RSL, 111 Main Street, Greensborough.

There will be an extensive display by our Education Team for a hands-on look at how the forces lived and worked in Vietnam.

Your school will be given the opportunity to lay a Floral Tribute during the Service.

Community Memorial Service details:

- 11.00 am Saturday 13th August 2022
- Greensborough War Memorial Park, 203 Henry Street, Greensborough.

Important: As a service to people attending on the day, a coffee van will be available but noting...it is a cash only purchase.
