PRINCIPAL'S REPORT

Student Achievement: Northern Metropolitan Region Athletics Finals

Congratulations to all of our students who on Wednesday 31 August and competed in the Northern Metropolitan Region Athletics Finals at Meadowglen Athletics Track in Epping.

Our students competed in 51 individual events and 3 relays which is amazing in itself. The efforts of our students place the school 3rd overall out of a total of 46 schools.

Our medal tally was 16 Golds, 4 Silver and 8 Bronze.

This is an outstanding achievement and in congratulating the students I also congratulate our Sports co-ordinator, Bree Pascoe and other staff for the support they provided to our students.¹⁰

More detailed information can be found in the Sports section of this Newsletter.

Year 7 Girls Badminton Finals - Northern Metro Region

Six of our Year 7 Girls represented our school at the NMR- Badminton finals.

Amy Thomson (Everard House), Anouschka Tymms (Stewart House), Abigail Ross (Rutter House), Olly Nicholson (Stewart House), Portia Oldfield (Andrew House) and Lillian Hughes (Everard House), represented our school admirably.

Whilst faced with some tough competition from the other 7 schools, our girls held their own.

Their effort, persistence, determination and resilience needs to be commended.

The team had great fun and were able to make some new friends with girls from other schools.

A terrific effort!

A special thank you to Peter Torey for his support and encouragement of the team.

A student report containing more detailed information can be found in the Sports section of this Newsletter.

General Achievement Test (GAT)

The GAT in its new format ran today on Wednesday 7 September.

All students undertaking a Unit 3/4 sequence of study were required to undertake both components of the GAT. VCAL students, for the first time, were also required to undertake the first component of the GAT.

Staff have worked hard to familiarise the students with the requirements of the GAT and to emphasise the importance of authentic participation.

The students arrived eagerly to complete the assessment and from an administrative perspective it seems that all has proceeded as expected. The students seemed happy.

Sitting under exam condition for an extended period of time, has also served as good preparation for the upcoming Units 3/4 practice exams in the first week of the term 3 break.

A big thank you to Darren Squires and the senior school team for the organisation of the GAT and for managing the variety of special exam conditions for a number of our students.

R U OK Day

Thursday 8 September is the National Day of action when Australians are reminded that every day is the day to ask "are you OK?" and start a meaningful conversation whenever they spot the signs (not behaving as they normally would; perhaps they seem out of sorts; more agitated or withdrawn; they're just not themselves) that someone they care about might be struggling with life.

R U OK? Has released resources, tips, and ideas to help drive genuine change in workplaces, schools and communities. These resources can be accessed at <https://www.ruok.org.au/>

R U OK? is an Australian non-profit suicide prevention organisation, founded by advertiser Gavin Larkin in 2009. It revolves around the slogan "R U OK?", and advocates for people to have conversations with others.

On Thursday morning I will be reminding all of our students and staff about the importance of the day and in particular the importance of the question R U OK?

In the current climate, I ask you all to keep an eye on each other and if you need help and are not sure where to go, please contact the school. We will be able to at least point you in the right direction of support that is available for you in the community.

Celebration of Music Concerts

I wish to extend a personal invitation to you all to attend our Celebration of Music Concerts. In the past couple of years the opportunities for our students to perform to a live audience have been minimal and these concerts will be a showcase of the talents of both junior and senior students.

The concerts will run on **Monday 12 September** and **Thursday 15 September**, both starting at 7:30pm In the Nalleijeiring Performance Centre.

Tickets sales are open through Trybooking: <https://www.trybooking.com/CBOQM>

I look forward to seeing you all there in support of our students.

Reminders

Last Day of term 3

A reminder that on **Friday 16 September** students will be dismissed at 2:30pm. This has been customary practice at the end of each term.

I ask parent/carers to ensure that you arrange safe travel home for your child(ren) if their normal means of travel is not appropriate on this day.

Mobile Phone Policy

Whilst previously, students have been excellent with following through with the expectations surrounding the use of mobile phones whilst at school, of late we have started to see an escalation of students not doing the right thing.

I ask parents to remind your child(ren) about the current mobile phone policy. We will certainly be reminding the students about their responsibility. However, we need your support to reinforce it from home.

The expectations is quite simple and easy to follow. From the first bell of the day 8:55am, until the last bell of the day 3:10 pm students must have their mobile phone switched off and secured in their lockers.

No student (unless they have been provided with an exemption) must have their phone with them or switched during the day.

If a teacher required students to bring their phone to class for a class activity, this will have been organised with the students prior to that activity and will be valid only for the duration of the activity.

Thank you in anticipation of your support with this matter.

SPORT

Year 7 Girls Badminton Finals - Northern Metro Region

On 25 August, a team of 6 girls faced 3 different schools in the NMR Badminton finals; these are the results. After a number of training sessions, our team was ranked based on our skills, and would later be matched with others with the same level of skill from other schools. There were 8 different schools, split into two pools and then, based on the pool round robin, played off to go on to State Finals.

Each school would play by the rules and when there was only one team left in both pools' groups, the winning teams would play against each other over bragging rights and which teams legs hurt more. Our ones and twos were Abigail Ross and Amy Thomson, our threes and fours were Portia Oldfield and Olly Nicholson, and our five and sixes were Lilly Hughes and Anouska Timms. We started with our ones and twos, who both played one singles match and then a doubles; then our three and four, which also had a singles match and a doubles, and then 5 and 6 had only a doubles match. We rotated the players for every match so game time was shared.

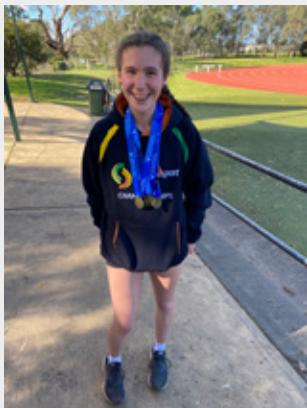

The first school we beat, with mildly sore legs, and our confidence soared. We watched the other teams and witnessed some very strong players, especially from Melbourne Girls College. We quickly became 'friends' with the opposing teams, to maybe learn their weaknesses and yet realised they were just really 'sweet' and how good they were at badminton. At one stage we led all the teams to play 'around the world', which was lots of fun.

We came close the second round yet unfortunately lost due to just a few points. The 3rd round we were 'smashed'; Abbie had a great match against the opposing number one, and just lost due to a 2-point margin (23-21) - way to go Abbie! Lilly had some great shots and Olly won 3 out of 4 games. Amy had some great games and come out on second, trying to change her tennis technique to a badminton technique. Anouska was great at both doubles and singles and instilled great fear in the opposing team... and well, Portia, myself, had some really good shots and even went up against a number 1 of another school even though I got beaten by a lot. It was fun, and that was good.

In the end it was really fun and we all enjoyed it, Thanks Mr Torey!

Portia Oldfield (Year 7, Andrew House)

Staff vs Students

Staff vs Students matches are always a highlight on the school calendar each year and thanks to Covid we haven't been able to hold them in the last 2 years.

So far this year we have been able to play a Volleyball, Basketball and Netball game with Footy still to come at the end of this term.

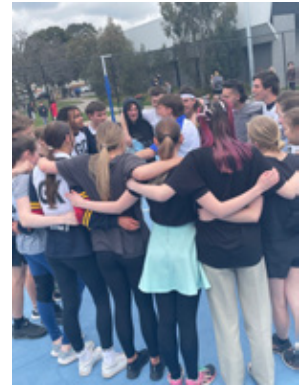

The Volleyball match was a little one sided with the students' big gun hitters too powerful for the staff to overcome. The students taking victory 2 sets to 0.

The staff came for redemption in the basketball match and took it up to the students all match but a lack of players meant the staff ran out of legs and the game ended in a draw with Mr Abrahams hitting a 3 pointer with 20 seconds left to level. Unfortunately for the students they couldn't hit the buzzer beater to take the win.

The students talked up their chances for the Netball game but came up against a very strong staff team that had a point to prove and were never in doubt. The students got blown off the court in some fast paced highly skilled netball.

So, with the series level at 1 win a piece, it all comes down to **Thursday 15 September** on the Football Oval where the students will try and win only their 5th footy match in 20 years.

Seats will go fast so be sure to get in an early and secure your spot.

Northern Metropolitan Region Athletics Finals

It was also great to see so many amazing individual performances with many athletes going home with a bag of medals and qualifying for the SSV State Finals (first place in each event and first and second from the 3000m, 1500m and 1500m Walk events progresses through to the State Finals).

Buses replace trains on the Hurstbridge Line

As part of Victoria's Big Build, the second stage of the Hurstbridge Line Duplication will deliver further improvements, including more train services, less crowding on peak trains and better connections to public transport in Melbourne's north east.

Buses Replace Trains

Buses replace trains on the Hurstbridge Line between Macleod and Hurstbridge from 8:30pm Tuesday 6 September to last service Monday 19 September, while project works take place.

For more information, visit ptv.vic.gov.au or call 1800 800 007.

Pedestrian Crossing Changes and Greensborough Station Closed

To enable project works to take place pedestrian crossings will close at Greensborough, Montmorency and Diamond Creek stations. There will be changes to how you move around the Greensborough, Montmorency and Diamond Creek areas, including pedestrian rail crossing closures, to ensure the safety of the community and workers.

For further details on these impacts visit ptv.vic.gov.au/hurstbridgedisruptions

How will this affect you?

There will be additional travel time added to most people's journey.

A range of buses will operate to help make your journey as direct as possible. Please see attached brochure for further information.

A number of car park and on-street parking changes will also be in place at stations on the Hurstbridge Line to allow for the safe operation of train replacement buses and construction works.

If you need to discuss alternative travel arrangements prior to travelling, or require assistance with journey planning, service information and up-to-date timetable information, please visit ptv.vic.gov.au or call 1800 800 007.

For other languages visit ptv.vic.gov.au/languages or call 9321 5450.

For information about the project, visit levelcrossings.vic.gov.au, call 1800 105 105 or email contact@levelcrossings.com.au.

We thank you for your patience as we work towards delivering an upgraded transport network for Melbourne's growing population.

Canteen would like to remind students that the best way to ensure that you get what you like at lunch is to place a lunch order either before school or at recess. Canteen is open every day at 8:30am for recess or lunch order.

Canteen limits the over the counter sales of hash browns, pinwheels and dim sims to two items per person in order to ensure the fair access of all students to purchase the cheapest hot items in the Canteen. If you require a larger quantity for lunch or recess place a lunch order. Canteen is open every day at 8:30am for recess or lunch order.
