**PRINCIPAL'S REPORT**

**Student Achievement: Banyule Youthfest 2022**

Vending Machine Repairmen (VMR) consisting of three of our Year 9 students, **Oliver Plunkett-Zbaracki (Everard House)**, **Toby Freeman (Stewart House)**, **Thomas Lingard (Stewart House)** and one student from Ivanhoe Grammar, performed to a very appreciative audience at the Banyule Youthfest 2022 last weekend.

The Band performed 7 original songs and were well received by the crowd. The three boys from Eltham High started jamming together at school and now attend Jets studios weekly where they met and were joined by their fourth member.

I congratulate all four boys for their amazing commitment to their music and wish them well as they continue to navigate the many more opportunities that will come their way in the world of music. We are certainly very proud of them.

**Ferrari Driver Academy**

Congratulations to **Jarrold Bottomley (Year 10, Andrew House)** who was selected to try out for the Ferrari Driver Academy. Jarrod has put in a great deal of hard work and sacrifice to reach this outcome.

Over the last weekend, at the Winton Racetrack Jarrod drove a formula BMW at 180kmp.

The Regional Finalists for the Ferrari Driver Academy (FDA) were announced and Jarrod was successful in being selected. This is a fantastic achievement .

There will be 24 drivers taking part in the Ferrari Driver Academy (FDA) - Asia Pacific and Oceania regional selection program, Jarrod being one of them.

The team members will now head to Malaysia where they will be evaluated whilst driving a FIA Formula 4, including their fitness and media skills.

Following on from the intense testing program, up to two drivers may be selected to attend the FDA's Scouting World Finals in Maranello, where they will go up against drivers from other regions in a bid for a potential place in the FDA for 2023.

We congratulate Jarrod and wish him well with the trials in Malaysia and look forward to hearing more about his success in the sport.

### Celebration of Music Concerts

The first Celebration of Music Concert took place on Monday 12 September. It was a very enjoyable evening highlighting the amazing talent and hard work of our students and the Music Staff.

I congratulate them all for their great performances. A big thank you to the Music Secretary, Jane Nicholson for her behind the scene work to bring the concert to fruition as well as a note of thanks to our Director of Music Rick Keenan. I also acknowledge the work of the Friends of Music who work tirelessly in support of the program.

I am looking forward to the second concert this Thursday 15 September. You can still book tickets through Trybooking: <https://www.trybooking.com/CBOQM>

I look forward to seeing you all there in support of our students.

### Eltham High School Working Bee

I wish to thank all the families and students that attended last Sunday's working Bee. The day was a success and the team was able to complete some much needed work. I thank the members of the Grounds Committee and Anna Panas, Ross McKinnon and our maintenance staff who work closely with the Committee to identify the work that needs to be carried out on the day.

If you missed out this time, there will be a further opportunity for you to support this work in Term 4. Keep an eye out in our newsletter.

### Last Day of term 3

A reminder that on **Friday 16 September students will be dismissed at 2:30pm**. This has been customary practice at the end of each term.

I take this opportunity to wish all students and staff a relaxing and restful break and remind all students who are engaging with Units 3/4 Studies that the trial exams begin on the first Monday of the term break. I wish them all well.

I ask parent/carers to ensure that you arrange safe travel home for your child(ren) if their normal means of travel is not appropriate on this day.

### Reminders: Covid Update

COVID-19 isolation requirements have changed

Any student or staff member who tests positive to COVID-19 must now isolate for a minimum of 5 days instead of 7. If they are asymptomatic, they may return to school on day 6. If they are symptomatic, they must remain in isolation until day 7. If they have symptoms after 7 days, they are strongly advised to stay home until their symptoms have resolved.

As an additional risk mitigation, the Department of Health strongly recommends that those leaving isolation wear a face mask when away from home, both indoors and outdoors, and when they cannot physically distance. Those leaving isolation on day 6 should wear a mask for 5 days but particularly the first 2 days. Those leaving isolation on day 7 should wear a mask for 4 days but particularly the first 2 days.

## ASSISTANT PRINCIPAL'S REPORT

### Sun Smart and Dress Code

Sun safety is a shared responsibility. Staff, parents and students are encouraged to implement a combination of sun protection measures whenever UV levels reach 3 and above (typically from mid-August to the end of April in Victoria). Guidelines supporting our students and staff to help minimise the risk of sun damage and skin cancer are outlined in the Sun Smart policy on our school website and accessible at [this link](#).

The school's Dress Code policy outlines expectations for students for appropriate clothing for a school environment. The specific aspects of this policy that relate to sun protection outline that brief clothing is not appropriate for school - this includes singlets, short skirts and shorts, exposed mid-riffs and thongs footwear. The policy can be accessed at Dress Code policy at [this link](#).

Information about the daily local sun protection times is available via the free SunSmart app, or at [sunsmart.com.au](https://sunsmart.com.au) or [bom.gov.au](https://bom.gov.au).

## STUDENT AGENCY AND GROWTH

### School for Student Leadership 2023

We have been successful in gaining six places (three male and three female students, inclusive of non-binary and gender diverse students) at the School for Student Leadership in Term 1 of 2023 at the Gnurad-Gundidj Campus (near Warrnambool in South-West Victoria). The School for Student Leadership is a residential term-long leadership, teamwork, and personal development program. The teaching and learning programs are based upon a combination of outdoor activities, classroom lessons and expeditions. Eltham High School has a long-standing history of involvement with the School for Student Leadership as it is a highly worthwhile program for our young people.

An information session will be held early in Term 4 for students interested in finding out more about the program. Students looking to apply for the program will need to complete a written application and interview. At the information session, students will find out more about the program itself, the application and interview process, and can speak with Eltham High School, School for Student Leadership Alumni.

The information session will take place on **Wednesday, October 5 at 1:15pm in Room 134**. A reminder will be sent at the beginning of Term 4.

Any interested students and families are encouraged to explore the Gnurad-Gundidj website prior to the information session for further information: <http://www.gnurad-gundidj.vic.edu.au/>

At this early stage, any questions or inquiries should be directed to [dev@elthamhs.vic.edu.au](mailto:dev@elthamhs.vic.edu.au).

### Cups for Change Update (School for Student Leadership)

We are excited to provide an update from our team. We have finished our Design Competition. Congratulations to our winner, Coco Bergmann, who's amazing logo design of the Eltham Copper Butterfly we absolutely love. We will be printing that design on our new reusable cups, which we hope to order before the end of the holidays. Congratulations also to our runner up Nasar Rana, we really appreciate your contribution to our competition. These two wonderful artists will both be receiving a voucher for our local art store, Victorian Artist Supplies. You can see Coco's design below.

Additionally, our Simply Cups, Cup Rescue Towers have been approved. We plan to have 3 double tubed towers and 2 single tubed towers arriving in early Term 4. These will be placed around the school in key locations such as the main staffroom, the Year 12 common room, the stadium foyer, the 700's building and the canteen. We hope that having the towers all around the school will encourage students to dispose of their disposable cups in a sustainable manner. Stay tuned in Term 4 for the release date of our reusable cups.

## SPORT

### Staff vs Students

Staff vs Students matches are always a highlight on the school calendar each year and thanks to Covid we haven't been able to hold them in the last 2 years.

So far this year we have been able to play a Volleyball, Basketball and Netball game with Footy still to come at the end of this term.

The Volleyball match was a little one sided with the students taking victory 2 sets to 0.

The staff came for redemption in the basketball match and took it up to the students all match but a lack of players meant the staff ran out of legs and the game ended in a draw.

The students talked up their chances for the Netball game but came up against a very strong staff team that had a point to prove and were never in doubt.

So, with the series level at 1 win a piece, it all comes down to **Thursday 15 September** on the Football Oval where the students will try and win only their 5th footy match in 20 years.

Seats will go fast so be sure to get in early and secure your spot.

DVAC's home venue, Willinda Park, Greensborough is the base for training sessions that are held throughout the week. Athletes will find qualified coaches on hand to assist with their preparation.

## WORKING BEE

### September 11 Working Bee

The September working bee was held last Sunday. We had a great turn out of around 30 volunteers, including a number of new families and students - we hope you enjoyed the day. With a wet start to spring the plants, and weeds, are really starting to grow. We put a concerted effort into pruning and tidying up garden beds around the hard courts and we relocated some wicking beds to outside the home economics kitchen for the students to establish a kitchen garden.

Morning tea and a BBQ lunch was enjoyed by all.

Now that we are getting the existing garden beds under control we are planning for some construction works in coming working bees to build new student seating and beautify the areas around the new portables on the back oval.

As always, we are looking for new families to join the Grounds Committee. The committee meets prior to each working bee to plan the activities and then help supervise jobs on the day. Being part of the committee and regularly attending working bees is a great way to contribute to the school community, meet other families and the teaching staff. If you are interested in joining the committee, please contact the school.

Please note the meeting and working bee dates for the remainder of 2022 and put them in your calendar now. The next working bee is coming up quickly early in term 4 on October 16.

Meeting Date	Working Bee Date
Thursday 6 October	Sunday 16 October 2022
Thursday 24 November	Sunday 4 December 2022

We look forward to seeing you all again in October.

**Buses replace trains on the Hurstbridge Line**

As part of Victoria's Big Build, the second stage of the Hurstbridge Line Duplication will deliver further improvements, including more train services, less crowding on peak trains and better connections to public transport in Melbourne's north east.

**Buses Replace Trains**

Buses replace trains on the Hurstbridge Line between Macleod and Hurstbridge from 8:30pm Tuesday 6 September to last service Monday 19 September, while project works take place.

For more information, visit [ptv.vic.gov.au](http://ptv.vic.gov.au) or call 1800 800 007.

**Pedestrian Crossing Changes and Greensborough Station Closed**

To enable project works to take place pedestrian crossings will close at Greensborough, Montmorency and Diamond Creek stations. There will be changes to how you move around the Greensborough, Montmorency and Diamond Creek areas, including pedestrian rail crossing closures, to ensure the safety of the community and workers.

For further details on these impacts visit [ptv.vic.gov.au/hurstbridgedisruptions](http://ptv.vic.gov.au/hurstbridgedisruptions)

**How will this affect you?**

There will be additional travel time added to most people's journey.

A range of buses will operate to help make your journey as direct as possible. Please see attached brochure for further information.

A number of car park and on-street parking changes will also be in place at stations on the Hurstbridge Line to allow for the safe operation of train replacement buses and construction works.

If you need to discuss alternative travel arrangements prior to travelling, or require assistance with journey planning, service information and up-to-date timetable information, please visit [ptv.vic.gov.au](http://ptv.vic.gov.au) or call 1800 800 007.

For other languages visit [ptv.vic.gov.au/languages](http://ptv.vic.gov.au/languages) or call 9321 5450.

Canteen would like to remind students that the best way to ensure that you get what you like at lunch is to place a lunch order either before school or at recess. Canteen is open every day at 8:30am for recess or lunch order.

Canteen limits the over the counter sales of hash browns, pinwheels and dim sims to two items per person in order to ensure the fair access of all students to purchase the cheapest hot items in the Canteen. If you require a larger quantity for lunch or recess place a lunch order. Canteen is open every day at 8:30am for recess or lunch order.
