The Australian Olympic Committee (AOC) selected Fieke for this award in recognition of her demonstration of the Olympic Spirit through leadership and driving positive change in our community to build a better world through sport. In 2022, a number of students will receive the Award from schools across Australia.

The nominations have overwhelmingly highlighted how students have used sport to create change in some of the most creative and unexpected ways proving that the power of sport is truly limitless.

Olympians Taliqua Clancy, Cedric Dubler, Valentino Guseli and Gronya Somerville, at the National Forum held on Friday 9 September, shared their Olympic journey with the students whilst celebrating the values of excellence, friendship, and respect.

These are values that are closely aligned with our school values and those which Fieke lives each day.

Fieke submitted a video as part of her nomination, as did a number of other students across the country. The initiatives and creativity demonstrated through these uncertain times is testament to the resilience and positive force for change playing out across the country. A panel of Olympians are currently reviewing video submissions.

In late October, successful applicants and their schools will be contacted directly and invited to attend the National Summit from 7-9 December 2022. Their names will also be posted on the AOCM webpage.

This is great recognition for Fieke who is passionate for her sport and has been constant in her approach and effort to making this world a better place. We are very proud of her and wish her all the very best for the future.

Past Student Achievement

Congratulations to **Jes Broeren (Class of 2017, Everard House)** who has recently been awarded a Fellowship with the Sydney Symphony Orchestra. This is quite literally 1 of 2 Australian opportunities (Melbourne Symphony Orchestra being the other) that every aspiring classical musician hope for.

The Sydney Symphony Orchestra Fellows have the opportunity to be inspired by musical greats – while on the path to becoming leading musicians themselves.

For over 20 years, the program has seen Fellows go on to enjoy highly successful careers in Australia and abroad. Over 85% of the Sydney Symphony Orchestra Fellowship alumni are professional musicians.

The Fellowship program lays the groundwork through intense preparation and training including masterclasses with globally renowned artists, mentorship from the Sydney Symphony’s musicians, and the opportunity to play in chamber and orchestral performances, including mainstage and regional programs.

Fellows are supported with further development of technical skills, insights into career management and preparation for auditions – helping to develop sustainable and rewarding careers.

It is great to see one of our own be recognised with such a prestigious award. I know that Jes has achieved this through hard work and persistence, and we are all very proud of him.

Jes first picked up a clarinet at the Year 7 “Try an Instrument Night” at school. Eltham High School continued to nurture Jes’ interest and passion for music for the remainder of the six years that he was here, then moving to the Melbourne Conservatorium of Music at the University of Melbourne for his tertiary studies.

We wish Jes every success as he moves into this amazing opportunity and the next stage of his career development.

Victorian Labor Party Election Promise

On Monday 24 October, the Minister for Education and Minister for Women, the Hon. Natalie Hutchins MP announced that a re-elected Andrews Labor Government will deliver a significant expansion to Eltham High School.

The minister announced an investment of \$8.94 million for the development of a STEAM/ Science facility on the school site replacing facilities that are consistently becoming more and more expensive to maintain and that do not effectively support the type of learning required in the 21st Century.

The Victorian Government has acknowledged that for the school to deliver on the State Government’s agenda around STEAM education, industry and the labor force, alongside its extensively researched and evidence-based education rationale the school and our students need state of the art facilities that will allow them to engage in learning through approaches anchored in lateral and creative thinking, looking at problems as new challenges and engage with them through a variety of lenses.

The news was delivered to us on Monday morning by our local State Member, Vicki Ward MP. I can tell you that this was certainly music to our ears as we have been working towards this for some time now.

Students from across Years 9-12 delivered a presentation to Vicki and to our Northeast Melbourne Area Director (DET) Stacey Gabriel on Tuesday morning, 25 October.

In their presentation, the students clearly expressed what an announcement such as this can mean for our school and most importantly for their learning. The area of STEAM is becoming a strong focus of our school and if this facility comes to fruition, it will enhance our ability to reach our goals in a more timely and successful manner.

The school would like to acknowledge Vicki Ward’s advocacy in achieving this outcome and look forward to her continued support if the Andrews Labor Government is re-elected in November.

Should this not occur, we will certainly continue to present our case to whatever government attains power in the upcoming election.

Reminders: Day Before Melbourne Cup Day – 1 November

Historically the day before the Melbourne Cup holiday has had very poor student attendance. Consequently, and as a way of causing the least disruption to the educational program of the school, the last few years have seen this day used as time-in-lieu for teachers. As clearly expressed in the Victorian Government Schools Agreement 2022 and supported by the Department of Education and Training, this compensates teachers for the time they allocate beyond work hours throughout the year to student progress interviews involving students, parents, and staff.

In the past, irrespective of the time-in-lieu arrangement, the school has remained open on the Monday before Melbourne Cup Day as Year 12 exams are generally on during that time, and the school is an examination centre. This will also be the case this year.

However, while this day would seem to be the most appropriate in terms of minimising disruption to the educational program of the school in the provision of time-in-lieu, I am writing to ascertain your intention as to your child's/children's attendance on **Monday, 31 October** for us to plan effectively. The school will be open on this day and based on previous experience, due to the small numbers of students in attendance, it is most likely that an alternative educational program will be in place. Your information will be valuable in ascertaining staffing requirements for this day.

If you have not already done so, I ask you to confirm with us only if your child will be attending on Monday, 31 October, 2022 by contacting the appropriate Sub-School Office either by telephone on **9430 5111** or by email through each of the Sub-School Team Leaders **immediately as planning will be finalised on Thursday 27 October:**

- Senior Sub-School: Amanda Saliba – sai@elthamhs.vic.edu.au
- Middle Sub-School: Ross McKinnon – mki@elthamhs.vic.edu.au
- Junior Sub-School: Melissa Hughes – huh@elthamhs.vic.edu.au

I thank you for your cooperation with this matter.

Planning for 2023

It is at this time of the year when I put out a request for information from parents. Due to the high demand for places at the school, we have a number of students in Year 8-12 for 2023 on waiting lists for a place in the school. Whilst we are mindful of managing student numbers, we do want to give students and families who want to be part of the Eltham High School Learning Community the opportunity to do so. However, we cannot offer a place until we are know that a vacancy exists.

Can I ask all parents of students currently in Year 7 - 11 to please communicate with us if you know that your child will definitely **not be** attending Eltham High School in 2023, this may be because you will be moving address, possibly moving interstate, perhaps you child will be pursuing an enrolment in TAFE; enrolment into an apprenticeship etc.

Please contact the relevant person below to provide this information **only if** you know that your child **will not** be attending Eltham High School in 2023.

- Junior School (Year 7 only) - Mrs Melissa Hughes – huh@elthamhs.vic.edu.au
- Middle School (Years 8 & 9) - Mr Ross McKinnon - mki@elthamhs.vic.edu.au
- Senior School (Years 10 & 11) - Ms Amanda Saliba - sai@elthamhs.vic.edu.au

I thank you for your cooperation.

Covid Update

The following is the latest information re COVID-19:

The Victorian Government has announced the end of the Pandemic Declaration and associated Pandemic Orders.

The following settings, based on advice from the Department of Health, will apply from 11:59pm Wednesday 12 October 2022.

It is strongly recommended that students:

- Who test positive to covid-19 stay home and isolate for 5 days
- Should not attend school after 5 days if still symptomatic
- Who are symptomatic but have not tested positive should not attend school
- Advise the school of the covid-19 positive test result

Where students become symptomatic at school they should:

- Be collected by their parents/carers
- Undergo testing for COVID-19

It is strongly recommended that staff:

- Who test positive to covid-19 stay home and isolate for 5 days
- Should not attend after 5 days if still symptomatic
- Who are symptomatic but have not tested positive should not attend school
- Report their positive test result to the school and through eduPay

Reporting positive COVID-19 test results

The Department of Health recommends that a person who tests positive for COVID-19 should inform those with whom they have recently been in contact, including their workplace, schools and household.

Parents and carers will therefore be asked to continue to report positive student COVID-19 cases using the [VicED COVID Tool](#).

COVID-19 vaccination changes

The current mandatory vaccination requirement for staff and visitors, contractors and volunteers working in specialist schools will cease to apply from 11.59pm Wednesday 12 October. COVID-19 vaccination, including booster doses, continues to be strongly recommended for all school staff.

Face masks

Staff and students who wish to wear a face mask should be supported to do so, and schools should continue to make face masks available for staff, students and visitors.

The Department of Health recommends that masks should be worn by a person who is a close contact of someone who has tested positive for COVID-19 when leaving home.

Additionally, the Department of Health recommends that masks should be worn by a person who has COVID-19, for at least 7 days after a positive test, when they need to leave home.

ASSISTANT PRINCIPAL'S REPORT

Student Mobile Phone Management

The Victorian Government takes very seriously the safe and responsible use of digital technologies, student safety and wellbeing, and the development of social skills and positive behaviour. From Term 1 2020, students who choose to bring mobile phones to school must have them switched off and securely stored during school hours.

Opportunities for students at recess and lunchtime to communicate with each other face-to-face or be involved in physical activity are valued, rather than students being focused on a mobile phone, particularly when they are using it to engage with social media. Eltham High School's Student Mobile Phone Management Policy, available at [this link](#), outlines the requirements of the Minister for Education relating to students using mobile phones during school hours.

CAREERS

Year 9 Work Experience: Monday 5 - Friday 9 December Cancelled

School leadership has determined that the proposed Work Experience week planned for Monday 5 - Friday 9 December will be cancelled.

However once a student has turned 15 they are eligible for Work Experience at any time so I would encourage all eligible students to consider organising a placement at a time that suits.

The scheduled Year 10 Work Experience week will still take place in September 2023.

Forms can be accessed forms through the careers website at:

www.elthamhighcareers.com > Work place learning > Required documents.

They are also available from outside the Careers Office at all times. Completed forms need to be provided to me one week prior to the placement in hard copy or email at pri@elthamhs.vic.edu.au

STUDENT AGENCY AND GROWTH

Year 10 Tutorial – Marvelousness

Yesterday in Tutorial we had a guest speaker come in. This guest was Marcus Lovett. He is a former arial skier and cliff diver. He came in to speak to us about self-esteem and improving your self-love through creating good daily habits. Some of which included basic things such as focusing on breathing and drinking enough water.

He told us more about his stunt career and his work on movies such as The Matrix and ads for a Ford XR8. Marcus used his cliff diving strength and skills to capture our attention by doing some impressive handstands. He helped us to realise how important your self-esteem is, and how much it can affect your attitude, and who you are as a person.

Marcus' talk was perfectly timed as we head towards our upcoming exam period!

MUSIC

Victorian Schools Music Festival for Training Band

Our Training Band will be performing at the Victorian Schools Music Festival at the Hawthorn Arts Centre on Wednesday 16 November 2022. Please check Compass for details. Parents are welcome to attend.

2023 Music Program Intention

In order to plan for 2023, all students are required to confirm that they are continuing in the Instrumental Music Program for 2023.

You will have received an email regarding the 2023 Intention process.

You are required to complete either a Google document form or a hard copy form and pay a non-refundable \$100.00 deposit to secure your place for 2023. The \$100.00 non-refundable deposit is to be paid via a Compass event and it will be applied to the 2023 music fees.

There will be an incremental increase in the music fees for 2023 to cover the increase in costs associated with running the program. You will be notified of the 2023 music fees before the end of 2022. The music budget and fees are currently being approved by the Finance Committee and that is why we cannot provide them to you at this time.

All 2022 Instrumental Music fees are now overdue and must be paid in full for your child to be able to enrol in the 2023 Music Program.

If you currently have a payment plan in place, please note it is required to be completed by the end of 2022. Payment plans do not roll over from one year to the next and need to be formalised with the Finance Department each year.

As the Eltham High School Music Program is a self-funded program, all fees are to be paid by the due dates. If a student withdraws from the Music Program at any time during the year, full yearly fees are payable. This is to ensure the school is able to meet the financial commitment it makes to employ Casual Instrumental Music Staff based on the confirmed enrolment of students in the Music Program as indicated by the returned Intention forms.

Please ensure you have paid the \$100.00 non-refundable deposit, completed the Google document or returned a hard copy form to the General Office or Music Office by no later than Friday 11 November 2022.

Second Hand Instrument Register

If you are considering selling your instrument we will be running a second hand instrument register.

The first step is to please get the instrument serviced and cleaned. Our Instrumental Music Teachers cannot assess the value of second hand instruments until they have been cleaned and serviced.

Please contact Jane in the Music Office and advise the make, model, serial number (if known), year of purchase and original purchase price of the instrument.

Once the instrument has been serviced and cleaned, we will then arrange for the appropriate teacher to assess the instrument and advise its second hand value.

The second hand instrument register process will open on Wednesday 2 November 2022. Please bring your instrument to the Music Office for assessment by no later than Thursday 1 December 2022.

All instruments must be serviced before they can be assessed (please see attached list of recommended businesses). Please provide a copy of the receipt of service when bringing the instrument to the Music Department for assessment.

2022 Music Fees

Please note the 2022 Instrumental Music Fees are now required to be paid in full for all ensembles. Your prompt payment of any outstanding music fees is appreciated.

Payment of the music fees can be made by completing and returning the credit card details on the form previously emailed to you, or by cash, BPay, credit card by calling 9430 5118 or by cheque made payable to "Eltham High School". If you make a payment via BPay please ensure you email accounts@elthamhs.vic.edu.au advising that the funds paid are for music fees. If you do not email they may allocate funds to other areas. If you do not know your BPay reference number please contact the school's Revenue Administrator, Jacinta D'Avoine on 9430 5118 or by email at accounts@elthamhs.vic.edu.au.

Please do not hesitate to contact Jane Nicholson in the Music Office if you have any queries. Jane's telephone is: 9430 5127 or email: nio@elthamhs.vic.edu.au

State Athletics

Congratulations to the Eltham High School Athletics team who finished 13th out of the 243 schools that competed at the SSV State Track & Field Championships on Monday 17 October. Such a fabulous result considering the team consisted of only 8 individual athletes and a relay team.

Eltham High School is extremely proud of all these athletes and the successful year that they have had at each track and field event throughout the year.

Looking forward to an even stronger 2023!!

ART

Ceramic Jewellery Making Workshops

Ceramic Jewellery Making workshops facilitated by local ceramic artist Emma Amos have been organised for staff and students.

The student workshop is an enrichment opportunity aimed at Year 9 and 10 students who have been recommended for participation by their teachers because of their engagement and achievements in the visual arts.

Participants will learn the process of creating jewellery from clay. Impressions are added to the clay using natural objects, stamps and textural surfaces. Following a bisque firing the ceramic pieces will be decorated with oxides and glazes.

After the glaze firing the ceramic pieces are then threaded or assembled into jewellery using leather thonging, beads or jewellery findings such as brooch backs, earrings or ring bases.

Eltham High School staff are also participating in the workshops after school as an opportunity to learn something new and promote wellbeing.

The first of three workshops were completed on Monday 10 October.

Mental Health Week Activities

STUDENT SERVICES

Mental Health Week Activities

Student Services facilitated a range of wellbeing activities during the third week of World Mental Health Month: October 17 - 21.

We focused on the campaign's key wellbeing themes: Awareness, Belonging and Connection.

The activities integrated different forms of wellbeing skills by engaging physical, emotional, and social activities to provide practical skills to our students. These practical skills can be used to build emotional and cognitive awareness, empathy, resilience and a sense of connectedness.
