PRINCIPAL'S REPORT

Student Achievement: 2023 Season of Excellence

Each year students from government, regional and private schools across Victoria who have completed Year 12 studies in an Arts or Technology subject are invited to submit their folios and final artworks for consideration for the VCE Season of Excellence.

The VCE Season of Excellence is an annual event showcasing outstanding examples of VCE works across the visual and performing arts and technology. The works are presented in Melbourne's major cultural venues including the NGV, ACMI and the Melbourne Museum.

Each year Eltham High School has been well represented in the VCE Season of Excellence. In the 2022 Season of Excellence, **Emily Broeren (Everard House)** was selected as a finalist and had her work exhibited in the Top Arts 2022 Exhibition at the National Gallery of Victoria until October this year.

Many hundreds of students apply for their work to be considered. From this large pool, students are selected for shortlisting and consideration as finalists in the Season of Excellence.

We are delighted to announce that: **Elliot Bryant (Studio Arts-Photography (Andrew House))**, **Evelyn Robinson-Fletcher (Art (Stewart House))**, **Matilda Eames (Product Design Fibre (Everard House))** and **Shahla Paynter (Product Design Fibre (Rutter House))** have been shortlisted for the 2023 Season of Excellence.

Their creativity is clearly evident in their work and their folios are exceptionally well executed and with the level of detail that has attracted the judges' interest.

I wish Elliot, Evelyn, Matilda and Shahla all the very best with the final selection process for the 2023 Season of Excellence Exhibition.

Past Student Achievement

Congratulations to **Scott Van Gemert (Class 2014, Rutter House)** who last week played in the 2022 Toyota Wheelchair AFL National Championship held at the Diamond Valley Sport and Fitness Centre.

Wheelchair AFL is an exciting adaptation of AFL and Scott and his teammates were part of the Victorian team to win the Division 1 title on Friday. This is a great achievement.

Scott's pursuit of excellence has taken many pathways, the one most known to us is as a consummate musician and exceptional Trombone player. We wish Scott well in all he does.

Scott Van Gemert (Class of 2014) with his medal

2022 Eltham High School Arts and Technology Exhibition

I wish to congratulate the creativity of our very talented students whose work will be exhibited in the 202 Art and Technology Exhibition which goes online as of Thursday 1 December.

Alongside the students, I do want to acknowledge the amazing talent of our Art/Technology staff who have worked alongside our young people to produce the amazing exhibits that I am certain will delight us all.

A big thank you to our sponsors; Andrew and Trish Edgoose; Robert Brock; Vicki Ward; The family of the late Wes Muir and Ferngully Lodge (who sponsor our Music Program). The support of our sponsors cannot be underestimated, and it is very much appreciated by us all in particular the students who benefit from the awards that our sponsors provide.

I invite you all to visit the exhibition and to enjoy the amazing work of our students.

Year 6 – 7 Orientation Day

This year, the state-wide orientation day for all Year 6 students moving into Year 7 in 2023 will be held on **Tuesday 13 December**.

This is a big day for the incoming students and for our Year 7 students who are often called upon to act as mentors and guides.

Staff are also required to take extraordinary classes outside of their allotments to ensure that the incoming students are well catered for.

In the past we have had all the Year 7, 8 and 9 students here at school.

This year as we are confronted with issues of staffing in particular providing CRTs when teachers are required to take the orientation classes, all Year 7 students are expected to attend on this day, but all Year 8 and Year 9 students are not required at school on this day.

Students in Years 8 and 9 who cannot be supervised at home on this day can attend school but will be involved in an alternative program and not their timetabled classes. I thank you in anticipation of your understanding.

Reminders: Planning for 2023

It is at this time of the year when I put out a request for information from parents. Due to the high demand for places at the school, we have a number of students in Year 8-12 for 2023 on waiting lists for a place in the school. Whilst we are mindful of managing student numbers, we do want to give students and families who want to be part of the Eltham High School Learning Community the opportunity to do so. However, we cannot offer a place until we know that a vacancy exists.

Can I ask all parents of students currently in Year 7 - 11 to please communicate with us if you know that your child will definitely **not be** attending Eltham High School in 2023, this may be because you will be moving address, possibly moving interstate, perhaps your child will be pursuing an enrolment in TAFE; enrolment into an apprenticeship etc.

Please contact the relevant person below to provide this information **only** if you know that your child **will not** be attending Eltham High School in 2023.

Junior School (Year 7 only) - Mrs Melissa Hughes – huh@elthamhs.vic.edu.au

Middle School (Years 8 & 9) - Mr Ross McKinnon - mki@elthamhs.vic.edu.au

Senior School (Years 10 & 11) - Ms Amanda Saliba - sai@elthamhs.vic.edu

I thank you for your cooperation.

Covid Update: The following is the latest information re COVID-19

The Victorian Government has announced the end of the Pandemic Declaration and associated Pandemic Orders.

The following settings, based on advice from the Department of Health, will apply from 11:59pm Wednesday 12 October 2022.

It is strongly recommended that students:

- Who test positive to covid-19 stay home and isolate for 5 days
- Should not attend school after 5 days if still symptomatic
- Who are symptomatic but have not tested positive should not attend school
- Advise the school of the covid-19 positive test result

Where students become symptomatic at school they should:

- Be collected by their parents/carers
- Undergo testing for COVID-19

It is strongly recommended that staff:

- Who test positive to covid-19 stay home and isolate for 5 days
- Should not attend after 5 days if still symptomatic
- Who are symptomatic but have not tested positive should not attend school
- Report their positive test result to the school and through eduPay

Reporting positive COVID-19 test results

The Department of Health recommends that a person who tests positive for COVID-19 should inform those with whom they have recently been in contact, including their workplace, schools and household.

Parents and carers will therefore be asked to continue to report positive student COVID-19 cases using the [VicED COVID Tool](#).

COVID-19 vaccination changes

The current mandatory vaccination requirement for staff and visitors, contractors and volunteers working in specialist schools will cease to apply from 11.59pm Wednesday 12 October. COVID-19 vaccination, including booster doses, continues to be strongly recommended for all school staff.

Face masks

Staff and students who wish to wear a face mask should be supported to do so, and schools should continue to make face masks available for staff, students and visitors.

The Department of Health recommends that masks should be worn by a person who is a close contact of someone who has tested positive for COVID-19 when leaving home.

Additionally, the Department of Health recommends that masks should be worn by a person who has COVID-19, for at least 7 days after a positive test, when they need to leave home.

Distribution of Rapid Antigen Test Kits

The school has a current supply of Rapid Antigen Test kits which need to be distributed prior to the end of the school Year.

Any family wishing to collect one or more kits please do so through the General Office.

Students can also collect kits from the General Office with a note from a parent giving them permission to do so. Any kits not distributed before the end of the year will be disposed of.

Immunisation Catch Up Sessions For Students

Over the past 2 years Covid Lockdowns, School closures and sickness have reduced the capacity for adolescents to access the HPV and Meningococcal ACWY Vaccine. In relation to this the Department of Health has requested local councils to develop and implement 'Catch up sessions' for students that have not completed or have missed out on being able to have these vaccines.

Additional sessions are being conducted in December at the below venues to allow students this opportunity of having their initial dose or completing the scheduled requirement of 2 doses.

Bookings can be made through the below links for each venue:

MUSIC

2023 Music Program Intention

In order to plan for 2023, all students are required to confirm that they are continuing in the Instrumental Music Program for 2023.

You will have received an email regarding the 2023 Intention process.

You are required to complete either a Google document form or a hard copy form and pay a non-refundable \$100.00 deposit to secure your place for 2023. The \$100.00 non-refundable deposit is to be paid via a Compass event and it will be applied to the 2023 music fees.

There will be an incremental increase in the music fees for 2023 to cover the increase in costs associated with running the program. You will be notified of the 2023 music fees before the end of 2022. The music budget and fees are currently being approved by the Finance Committee and that is why we cannot provide them to you at this time.

All 2022 Instrumental Music fees are now overdue and must be paid in full for your child to be able to enrol in the 2023 Music Program.

If you currently have a payment plan in place, please note it is required to be completed by the end of 2022. Payment plans do not roll over from one year to the next and need to be formalised with the Finance Department each year.

As the Eltham High School Music Program is a self-funded program, all fees are to be paid by the due dates. If a student withdraws from the Music Program at any time during the year, full yearly fees are payable. This is to ensure the school is able to meet the financial commitment it makes to employ Casual Instrumental Music Staff based on the confirmed enrolment of students in the Music Program as indicated by the returned Intention forms.

Please ensure you have paid the \$100.00 non-refundable deposit, completed the Google document or returned a hard copy form to the General Office or Music Office as soon as possible.

Second Hand Instrument Register

If you are considering selling your instrument please get the instrument serviced and cleaned. Our Instrumental Music Teachers cannot assess the value of second hand instruments until they have been cleaned and serviced.

Please contact Jane in the Music Office and advise the make, model, serial number (if known), year of purchase and original purchase price of the instrument.

Once the instrument has been serviced and cleaned, we will then arrange for the appropriate teacher to assess the instrument and advise its second hand value.

Jane's email: nio@elthamhs.vic.edu.au or Tel: 9430 5127.

The second hand instrument register process will open on Wednesday 2 November 2022. Please bring your instrument to the Music Office for assessment by no later than Thursday 1 December 2022.

All instruments must be serviced before they can be assessed. Please provide a copy of the receipt of service when bringing the instrument to the Music Department for assessment.

2022 Music Fees

Please note the 2022 Instrumental Music Fees are now required to be paid in full for all ensembles. Your prompt payment of any outstanding music fees is appreciated.

Payment of the music fees can be made by completing and returning the credit card details on the form previously emailed to you, or by cash, BPay, credit card by calling 9430 5118 or by cheque made payable to "Eltham High School". If you make a payment via BPay please ensure you email accounts@elthamhs.vic.edu.au advising that the funds paid are for music fees. If you do not email they may allocate funds to other areas. If you do not know your BPay reference number please contact the school's Revenue Administrator, Jacinta D'Avoine on 9430 5118 or by email at accounts@elthamhs.vic.edu.au.

Please do not hesitate to contact Jane Nicholson in the Music Office if you have any queries.

Jane's telephone is: 9430 5127 or email: nio@elthamhs.vic.edu.au

STUDENT AGENCY AND GROWTH

2023 Student Voice and Leadership Team Induction Day

On Monday 29 November, we held our induction day for our 2023 Student Voice and Leadership Team. It was fantastic to see all our young leaders come together - the energy amongst them was notable! Throughout the course of the day, both our Principal, Vincent, and Assistant Principal, Darren, spoke with the group about the importance of being role models for the young people at Eltham High School, and leading with integrity.

After a game of apples, bananas and oranges, the team quickly got into discussing their ideas and strengths, creating a clear vision for their work in 2023. This discussion led to the team creating their motto 'GOOD VIBES' - grateful, openminded, optimistic, driven, voice, integrity, bold, encouraging, and supportive.

In sub-teams, the leaders then spent time planning for what they would like to achieve in 2023. There were some great ideas discussed including open mic, readathons, promoting responsibility for the yard, and many, many more.

It will be great to settle into the 2023 school year and have our young people get into their work - they'll achieve great things, no doubt.

ARTS

Senior school Arts & Technology Exhibition, 2022

Alongside an online exhibition, Arts & Technology teachers worked tirelessly to put on a physical exhibition of student works from Years 10, 11 and 12 in time for Headstart and the Valedictory.

This exhibition has been showcased in the 100's building over the past two weeks and has enabled, for the first time in recent years for an audience, albeit it limited, to view student works firsthand.

The standard of student work continues to impress both technically and conceptually. The themes students have chosen to explore are diverse and reflect the impact of Covid, mental health, identity, social constructs and culture.

The success of the show has been apparent, not just through the positive feedback received, but through witnessing the many students seen engaging with the exhibition on a daily basis and involved in discussions with their peers around respective artworks.

Congratulations to our talented senior school students and the dedicated Arts and Technology teachers who have supported their creative endeavours.

Artists Workshops - Ceramic Jewellery Making

Our Arts KLA has offered a series of three artist run ceramic jewellery making workshops as an extension program for high performing students in Year 9 and 10 visual arts.

The workshops facilitated by ceramic artist, Emma Karagiannis, have enabled students to build their experience and understanding of the processes involved in working with ceramics.

Additionally, Emma ran workshops for our staff as a professional learning and wellbeing program. The sessions were a huge success with both students and staff creating some impressive ceramic jewellery.

VCE - VOCATIONAL MAJORS

Our new VCE- Vocational Majors Year 12 class kicked off during head start with great energy and interest!

Students completed a tiny house project for numeracy, a passport task for literacy, created a children's story for personal development skills, and wrote an introduction to Eltham High School values for next years Year 7's in work related skills.

We congratulate **Matilda Condie (Year 11, Everard House)**, **Will Cottier (Year 11, Everard House)**, **Brianna Deans (Year 11, Stewart House)**, **Taylor Parry (Year 11, Rutter House)**, **Samantha Tesch (Year 11, Andrew House)** and **Ella Watts (Year 11, Stewart House)** for their enthusiasm and effort during Head Start and look forward to a productive year in 2023.

ANTHOLOGY

Anthology Writing Competition

In Term 3 the Anthology Team ran our very first Anthology Writing Competition. We decided to do this because although the Anthology is great as a resource to use for upcoming CATS we all agreed that the most enjoyable pieces to read were the creative ones. The competition was about finding some excellent student creative writing and to also raise the profile of the Anthology amongst students and staff.

We decided against a 'theme' for this year's story as we were worried that students may be discouraged from entering if they didn't like the theme. We used some of the Anthology budget to buy two fantastic prizes: books to the value of fifty dollars plus a fifty dollar gift voucher, both from the Eltham Bookstore. Both junior and senior winners received both prizes!

We had a lot of interest in the competition, with many entries in both junior and senior levels, particularly from juniors. The team enjoyed reading all entries and discussing their merits. We had a hard time selecting which ones were best! Eventually, we were able to decide on two winners and two runner ups.

Junior Winner: **Mietta Palmer (Year 7, Rutter House)** - *'A season of misty mornings'*

Junior runner-up: **Brooke Colbert (Year 9, Stewart House)** - *'Her'*

Senior Winner: **Molly Pilson (Year 11, Everard House)** - *'Tender'*

Senior runner-up: **Mina Hopleythompson (Year 10, Rutter House)** - *'In the Cold'*

Thank you to everyone who entered and we would love you to do so again next year!

SPORT

Duke of Edinburgh - Training Bush Walk

On Wednesday 23 November, the Yr 9 Duke of Ed class, working towards their Bronze Award, went on a training walk to Warrandyte State Park. The students led the walk around Blue Tongue Bend. Evidence of the recent rains and floods were apparent leading to some interesting navigation decisions. The leaders made collaborative decisions after some reconnaissance demonstrating the power of astute leadership.

After a brief break for morning tea, the students ably faced a first aid scenario including shock, snake bites and a laceration from a fall. They competently applied their learnt knowledge of DRSABCDE.

At lunchtime two teams had to build a temporary tarp shelter. Their creativity in building a shelter and rope tying was clear! This was followed by cooking gourmet meals on Trangia stoves.

On the return of the loop walk, we were amazed at the heavy machinery working to re-establish eroded paths and roads. A very successful walk was rewarded with the appearance of our bus, and starting point, earlier than expected.

Congratulations to all students and thank you to the very able guidance from Olivia Munro!

PETER TOREY, Duke of Ed Teacher

VOLLEYBALL

Final Event

Teams should now be aware of who their coaches and staff members are. Once the draw is released a schedule for each team will be created. These final events are another opportunity for students to represent the school and develop as players and people.

STUDENT SERVICES

Student Wellbeing Hub

Student Services wanted to bring your attention to a resource called the 'Student Wellbeing Hub': studentwellbeinghub.edu.au/parents. This resource has a variety of wellbeing topics that can provide you with relevant information, advice and strategies for supporting your young person's wellbeing and safety.

As we move closer to the end of Term 4 and the summer holidays, we wanted to highlight the importance of online safety.

What is online safety?

Online safety is the act of staying safe online with the use of any technological device which has access to the internet.

How can we work together?

As a parent and carer, you have an essential role in guiding your child to protect themselves from online harms and risks. It is imperative that they learn how to have positive online experiences that ensure they can communicate safely with their peers, and that this experience does not impact their mental health and wellbeing. We understand that it can be challenging to keep up with new technologies and applications that allow young people to communicate online. By working together, we can support your child to use technology effectively to connect to others, to have fun safely and to enhance their learning.

Where to start?

If you wanted information and strategies about cyber safety, please refer to: www.esafety.gov.au/parents. This resource will provide you with webinars to develop strategies to support and encourage online safety. Moreover, the strategies are centred on ensuring your young person can have a positive experience online, and understanding the dangers and challenges that can occur. This can be achieved through watching short videos or using one of the family advice sheets to build your capacity to speak to your children about how to be safe online.

Banyule 100

Banyule Youth Services invites the community to come together to celebrate our Banyule 100!

Since its beginnings in 2011 the Banyule 100 project has shared the inspiring stories that shine a spotlight on the positive role young people and their supports play in strengthening community. Banyule 100 is the voice of a generation, 100 exceptional people who have been inducted into the Banyule 100 hall of fame, all participating in incredible initiatives to strengthen communities at home and afar.

This December, we invite you to join us in an evening of celebration and music to acknowledge this important milestone and all that has been achieved in the last 11 years

Date: Thursday 8 December 2022

Time: 6:00pm – 8:00pm

Venue: Loft 275, Ivanhoe Library & Cultural Hub, 275, Upper Heidelberg Rd, Ivanhoe

RSVP: RSVP is essential by Monday 5 December to [banyule100.eventbrite.com.au](https://www.eventbrite.com.au/e/banyule100)

A light supper and refreshments will be provided. Banyule Youth Services look forward to having you join us. Please do not hesitate to let us know if you have any further enquiries - Leza.cullen@banyule.vic.gov.au
