**PRINCIPAL'S REPORT**

**Student Achievement: In the Spirit of Reconciliation**

The Eltham High School Symphonic Band will feature at the 25th anniversary celebration of Reconciliation in Nillumbik as it did in 1998 at the first Nillumbik Reconciliation event.

To commemorate this milestone, the school commissioned a piece of music from well know composer and friend of Eltham High School, Jodie Blackshaw.

Jodie reflected that at first she found having to create a piece of music based on Reconciliation a bit of a challenge, but then turned to the members of the current Symphonic Band and enlisted their input. She asked them to consider what Reconciliation meant to them.

One of our Year 9 students, **Kate McRae (Rutter House)** expressed her views of Reconciliation through a poem. The poem was so compelling that it inspired Jodie to create the piece that she did.

The premiere performance of *"Old Trees, Old Wisdom"* took place on Monday 22 May in the Nalleijerring Performance Centre at Eltham High School during the first Mid-Year Concert for the year in the presence of members of the Nillumbik Reconciliation Group. The music composed by Jodie is so unique that it features a reading of Kate's poem as part of the performance.

The Symphonic Band will perform this piece of music once again at the 25th Celebration of Reconciliation in Nillumbik on Sunday 28 May at the Eltham Community Centre between 1:30-4:00pm.

With Kate's permission, I share her poem here with you

*"Extend a hand"*

<p>We always extend a hand Impatiently And say We're different now We always extend a hand Impatiently And say Why isn't this enough We never extend a hand Patiently And ask Is this okay We never extend a hand Patiently</p>	<p>And ask Will you forgive us To extend a hand And be met with a hand in Return To extend a hand And expect to walk arm in Arm We must wait Patiently With a hand extended And our mind and hearts open.</p>
---	---

Congratulations Kate and thank you Jodie for an exceptional piece of music; and a big thank you to all the members of the Symphonic Band and their Conductor Rick Keenan for an outstanding and memorable performance.

### Canoe Slalom World Championships

Congratulations to **Sarah Crosbee (Year 11, Rutter House)** who earlier this year was successful in her Canoe Slalom selection events. As a result, Sarah has been selected to compete for Australia at the Junior World Championships, which will be held in Poland in August.

Sarah will be competing in both Canoe and Kayak classes in the team events and individual events as well as the Kayak Cross event.

Sarah will also be competing in other international events in the Czech Republic and Slovakia in the lead up to the World Championships.

The dates for her trip are from 10 July to 25 August.

This will be a significant commitment for Sarah who will be away from school for this period. However, with the support of her parents and coaches we know that Sarah will endeavour to keep up with her studies whilst still training to achieve her goals in the sport.

We wish Sarah all the very best as she engages with this prestigious competition.

### Youth Girls State Rugby Cup

Congratulations to **Miley Navuni (Year 8, Andrew House)** on having been selected been selected as a member of the Rugby Victorian State Team.

The team will compete in the Youth Girls State Cup from 9 - 11 June. The team will compete against state teams from throughout Australia.

We wish Miley and her team all the very best as they embark on this adventure and we look forward to hearing about their successes.

### Eltham Theatre Studies

Congratulations to all students in the Unit 3/4 Theatre Studies Class for their production of 'Antigone', which ran over three nights during the last week.

The hard work that the students put into the production was evident in the execution of the performance which showed skill and creativity. I was very fortunate to be in the audience on Thursday night and I can say that the audience was drawn into the performance and remained interested and engaged for the entire time.

### Susan Street Oval Bridge Works

We have been informed by the Shire of Nillumbik that works have begun on the reconstruction of the Susan Street Oval shared trail bridge in Eltham.

As these works will surely impact students walking to and from the school, please take note of the following.

Lifting of the spans commenced a couple of weeks ago, with the installation of the decks and approach ramps expected to be completed by the end of May, weather permitting.

Some trail realignment may be required on assessment once the ramps are placed. However, this will be completed once the bridge re-opens.

The bridge was damaged due to flooding in late 2022 and was no longer safe. It was removed as a safety precaution.

The new bridge has been raised as much as the site allows while maintaining accessible grades on access ramps to ensure safe use by all. This will reduce the frequency of future flood events impacting the bridge.

The replacement of the pedestrian bridge in Alistair Knox Park near the skate park is still being investigated by Council.

## ASSISTANT PRINCIPAL'S REPORT

### Health Planning Support

At Eltham High School we aim to ensure all students feel safe and supported at school. We do this by working with families to ensure that clear plans and processes are developed and maintained to support the student's health care needs, either on enrolment or when a health care need is identified. In addition, we allocate time to discuss, practice and review health support planning policies and processes.

Students with an identified medical condition are required to have a current medical action plan to assist with health support planning at school.

We require medical details to be provided for all students upon enrolment at the school and require families to provide an update on medical conditions annually. We require an update of medical action plans for all medical conditions no later than the beginning of term two each year. In addition, families will have the opportunity to review and update details when the Student Information Details are sent out at the beginning of semester two each year.

The list below describes the information that is required by the school and includes links to sample plans for specific student health support needs.

If a child has a specific medical condition that is not identified above then it is the expectation of the school that the parents inform the school and provide a medical action plan to support us to address the specific health and wellbeing needs of the child whilst at school.

Where a plan has not yet been updated during 2022, we request families to complete the attached documents as appropriate (including sign off by a medical practitioner as required). Please provide a copy of the completed action plan to the First Aid Officer – Fiona Casey.

**2023**

**Term Dates**

**Term 2:**

Starts 24 April

Finishes 23 June

**Term 3:**

Starts 10 July

Finishes 15 September

**Term 4:**

If you have any questions or would like to request a hard copy version of the template please contact Fiona on 9430 5112 or by email at [firstaid@elthamhs.vic.edu.au](mailto:firstaid@elthamhs.vic.edu.au).

Where it is necessary for your child to have medication at school (i.e. Epipen / insulin) it is imperative that this is kept up to date and replaced by you when necessary.

The information you provide will enable us to provide the highest care possible for your child.

Thank you for your support.

**Earth Sciences Guest Speakers**

On Tuesday 16 May, we had 2 guest speakers come to talk about the different kinds of Earth Sciences. Our guest speakers, Indigo and Vera, both specialise and have careers in a field of Earth Science. Indigo specialises in glaciology and Vera in palaeontology. Each presented a detailed PowerPoint with information and pictures which made it easy to follow.

Indigo had spent 3 months on Juneau icefield in Alaska and shared photos of this which was really cool to see. A few of the photos featured holes dug into the snow on the glacier. The amount of snow on the glacier told you how healthy it was. The most snow found on a glacier was 8 metres of snowfall which meant the glacier was very healthy.

Vera spoke about the fossilised plants and how they know what plants were around when the dinosaurs were alive, which we found really interesting because most people only talk about the fossils of animals. She specifically focuses on fossilised pollen. She told us how the pollen from different plants has different shapes, sizes and textures and showed us some pictures of what it looks like.

At the end of the presentation, we had the chance to ask some questions of Indigo and Vera. We really enjoyed the experience and found it interesting as well as informative.

**SENIOR SCHOOL**

**Covid Postive Students**

Please register your positive RAT with the Department of Health, keep a copy of the confirmation notification SMS and notify Susan Inglis (Senior School Administrator) via [ing@elthamhs.vic.edu.au](mailto:ing@elthamhs.vic.edu.au) or on 9430 5164.

**Year 10 Meningococcal ACWY Secondary School Vaccine Program**

Parent consent cards have been delivered to all year 10 classes. Please return the signed consent cards at your earliest opportunity. You may choose to tick either the YES or NO box according to your preference.

**Year 10 CAT Redemption Session**

In order to support our Year 10 students to achieve success in their studies and preparedness for VCE, Senior School is implementing a Year 10 CAT (Common Assessment Task) Redemption Session after school on selected Thursdays throughout the term, from 3:15pm - 4:25pm in Room 321/322.

Year 10 students will be booked into this session if:

- They have missed a CAT in class due to being absent for either medical or school approved activities such as an excursion, camp, school sport, music or other extra-curricular activities.
- The CAT that was submitted has not satisfactorily met the requirements of the task. In this case a redemption task will be given to provide another opportunity for the student to demonstrate their understanding of key knowledge and skills being assessed.

## GROUNDS COMMITTEE

## CAREERS

#### Year 12 - La Trobe University Aspire Community Contribution Program

Applications are open for the Aspire Community Contribution Program. We'd love to hear from your Year 12 students about how they've volunteered, displayed leadership, supported their family or engaged with their community. We'll be doing rolling offers again this year for uncapped courses, so students will know if they have a conditional offer by October or even sooner.

To apply for the Aspire Community Contribution program, students need to write two 100-word statements explaining their involvement and impact. We like to keep it simple, they just need to tell us what they've done and how they've helped. Examples of Aspire students' contributions include:

- Fundraising for charity
- Coaching a sports team or volunteering at the club
- Helping with care or nursing at home
- Volunteering for an organisation and much more.

For more information please go to: <https://shorturl.at/cDO67>

## Work Experience

Once a student turns 15 they are free to engage in work experience in a preferred area. This arrangement should be a minimum of three days and typically no longer than five days. To get started on the process there are two forms - Work Arrangement and Travel/ Accommodation form. The majority of placements will only require the Work Arrangement form.

Hard copies of each are always available outside the Careers Office (next to the Drama room). They are also available on-line at <https://www.elthamhighcareers.com/>. Select the link "Workplace Learning", then "Required documents", at which point you can download a copy of each form.

A student can undertake multiple placements throughout the year but it is best to consult with your coordinator or careers teacher prior to confirming a placement .

Completed forms can either be returned to the Careers Office by placing in the box outside the door or emailed to Ross Pringle at [pri@elthamhs.vic.edu.au](mailto:pri@elthamhs.vic.edu.au)

## SPORT

### Intermediate Inter-School Badminton Results

On Wednesday 17 May our Intermediate Badminton teams travelled to Montmorency Secondary College for the sectional Inter-school competition. Both the boys and girls teams are to be commended for their effort and sportsmanship on the day. Each team played 2 doubles matches lasting 13 minutes per match against the following schools:

- Montmorency Secondary College
- St Helena Secondary College
- Viewbank Secondary College
- Diamond Valley Secondary College

The boy's team tried very hard in each match and are to be commended for their continued effort throughout the day; they were competitive in multiple matches.

The girl's team won every match except against Viewbank Secondary College. As a result of their success on the day, they qualified for the next round of Inter-school competition.

## STUDENT AGENCY AND GROWTH

### 2023 National Reconciliation Week

This year, the theme for National Reconciliation Week is 'Be a Voice for Generation'. This will take place between 27 May – 3 June.

To mark National Reconciliation Week, Harmony will be hosting a film viewing of *In My Blood It Runs*. This will take place on Wednesday and Thursday lunchtimes in the Upper 100s. Students across all year levels are welcome to come along. There will be an information flyer available to students highlighting some of the key ideas of the film.

Additionally, students will have the opportunity to colour-in a feather for a mural of Bunjil's wings that will be created to mark NAIDOC week in Term 3. This will take place in the Upper 100s from Tuesday - Thursday.

There will also be music playing at the beginning of each school day showcasing Indigenous artists and music. We encourage all students to listen to this as they make their way to class.

### Learning to Lead Student Seminar Series

We are excited to introduce our 'Learning to Lead' Student Seminar Series. The aim of these seminars is to promote the development of leadership, teamwork and interpersonal skills. Students who are interested in learning more about their strengths, how to activate student voice or how to be a 'leader' here at school are encouraged to come along to a session to find out more. This is open to all students from Years 7 - 12.

There will be seminars taking place across Terms 2 and 3, and these will be run by both staff and students. All sessions will run in Room 166.

To find out more about the seminars being offered in Term 2, and to sign up, please go to the following link: <https://forms.office.com/r/5ZsgAmwUGv>

## ART

### Year 7 Art Club - Thursday Lunchtimes in Room 613

Do you enjoy art and love being creative? Our Art club is an opportunity for Year 7 students to have a space to create and connect with other likeminded students.

We have planned some fun activities and will be on hand to teach students new skills.

If you have any questions contact Lisa Foote [foo@elthamhs.vic.edu.au](mailto:foo@elthamhs.vic.edu.au) or just turn up on Thursday lunchtimes to Room 613 and don't forget to bring your lunch.

### Art Space for All Year Levels - Monday Lunchtimes in Room 613

This is for ALL Year levels who want to make art in a relaxed and supportive environment.

You are welcome to bring along your sketchbook and work on your own ideas, do work for your folio subjects or take advantage of access to materials and teacher support with building your techniques and ideas.

You don't have to be great at art - if you enjoy being creative or want to create more art this space is perfect for you.

### VCE Folio Workshops - Tuesday Lunchtimes in Room 613

VCE students of Art Creative Practice and Art Making & Exhibiting can work on their folios.

Students can take advantage of access to materials, gain further support and advice around the development of their ideas and practice and address some of the expectations around time that should be spent on folios as homework.

VCE Art students are encouraged to take advantage of the additional time and support available to them at school.

### The impact of having Growth Mindset

What is Growth Mindset?

*"Success is not final; failure is not fatal: It is the courage to continue that counts."*

–W. Churchill

These words by Churchill illustrate what growth mindset is all about, seeing opportunities instead of difficulties. Having a growth mindset will allow a young person to recognise that their capabilities can be developed through practise.

By recognising the impact of a growth mindset through a wellbeing lens, I would like to present the findings from a recent study in China with 2,505 participants. The findings showed that students who have a growth mindset scored lower on mental health concerns and do not experience high levels of stress compared to the other participants with a fixed mindset. These are significant results.

Relating this to the students' education, it is important for young people to monitor their learning goals and explore ways in which they can achieve them. It is just as important for parents to model growth mindset language. This is because parents and carers can impact their young person's mindset in a positive way that can promote wellness and educational achievement.

## Is your teenager struggling to attend school due to anxiety, depression or emotional distress?

Be among the first to trial a new online parenting program designed to support parents of teens struggling with school attendance.

Researchers from Monash University and Deakin University are offering parents a **FREE online parenting program** designed to support parents of teenagers who have **difficulty attending school due to anxiety, depression, or emotional distress** (sometimes called 'school refusal', 'school can't', or 'school phobia'). The program is being offered as part of a research trial.

### What's included in the program?

- A parenting self-assessment tool with personalised feedback
- Up to 13 online modules with practical strategies to support your teen's mental health and school attendance
- Complete weekly modules and work towards goals

### Who can take part?

- You may be eligible to participate if:
- you are the parent or guardian of a teenager aged 12-18
  - live in Australia
  - can read, write, and speak in English,
  - have regular access to the Internet.

The program is not recommended as a sole source of support for young people experiencing school refusal. We recommend seeking professional support from a mental health or education professional alongside completing this program. Although all parents are able to take part, please also note that the program content is not tailored for parents of teenagers with Autism Spectrum Disorder or intellectual disability.

### What else is involved?

To help us evaluate the program, we'll ask you to complete two online surveys about your parenting and your teen's mental health. We may also invite you to complete an interview about your experience with the program. You'll receive a \$20 gift voucher after completing the second survey, and an additional \$20 gift voucher if you complete an interview.

# PORN IS NOT THE NORM

Online Presentation for  
**PARENTS AND CARERS**

With Maree Crabbe and Dr. Wenn Lawson

Young People, Autism & the Impact of Porn

### INFORMATION:

For young people growing up with internet access, pornography is easy to access and difficult to avoid. It has become a default sex educator for many young people, with serious implications for their ability to develop safe, respectful relationships and sexuality. For autistic young people, pornography's influence can be even more challenging. Moreover, the key characteristic of autism, can make autistic young people particularly vulnerable to the impacts of pornography. Pornography's messages can be a source of confusion and concern, and shape unrealistic and unhealthy sexual understandings and expectations.

This session seeks to support parents and carers of autistic young people to understand pornography's prevalence and influence, its implications for autistic young people, and how we can support them to navigate respectful, consenting and safe sexuality and relationships in this new reality.

**Maree Crabbe** is Director of the Australian violence prevention initiative, *It's time we talked*. She is an educator, author and filmmaker who is passionate about gender based violence prevention, and about supporting parents, schools, communities and government to address pornography's influence on young people - [www.italimetalked.com](http://www.italimetalked.com)

**Dr. Wenn Lawson** is an autism expert, researcher, poet & author. He is a family man with a autistic children & grandchildren. In 2021 Wenn won the Lester Hill, disability leadership lifetime achievement award. Wenn is passionate about all things LGBTQIA+ and autism - [www.wennlawson.com](http://www.wennlawson.com)

Amnesty International, OXFAM and St.Margaret's Eltham have partnered to show the documentary "FRANKLIN" which follows the eighth - generation Tasmanian Oliver Cassidy as he embarks on a life changing solo raft trip down the mighty, beautiful Franklin River. His aim is to retrace his late father's trip made to attend the blockade that saved the World Heritage listed national park from being destroyed by a huge hydroelectric dam project in the early 1980s.

**PROGRAM MC: Mitzi Tuke**

**Acknowledgement of Country**

**Marguerite Marshall:** A Climate Reality Leader trained by Al Gore. A climate campaigner for decades, Marguerite will talk about urgent action needed to prevent catastrophic change and how joining others will help achieve success.

**Dr. Harry Watson (SAGE)** will speak on "The extreme urgency of holistic action for carbon neutral mobility."

**Don Stokes (OXFAM)** volunteer and activist speaking on Oxfam's Climate Justice Program

**Katrina North (Amnesty International)** The right to protest is powerful when passionate and courageous people raise their voices to make the world a better place, for example in protection of the mighty Franklin River.
