Planning For 2024 - Update

Our work for the start of the 2024 school year is proceeding well.

In a previous edition of this newsletter, I outlined the changes to the structure of the day from a four period day to a five period day and the organisation of the day in terms of teaching lessons and breaks. What we had not identified at that point in time was the start and end of the day for students.

We have very little flexibility in that a large number of our students rely on buses for their transport to and from school. We have been in contact with the bus company to see if there was any flexibility in the pickup times from both the Eltham Station at the start of the day or from the school at the end of the day which would then allow us to set start and finish times that would better suit our school program and the students.

Unfortunately, the response was not positive and therefore we will need to work within the parameters set by the bus company. Whilst the start and finish time for students won't be too different to what it is now, the following is an indication of where we are heading:

8:52 – 9:04	Involve/ Tutorial Session
9:06 – 10:05	Period 1
10:07 – 11:06	Period 2
11:06 – 11:26	Recess
11:26 – 12:25	Period 3
12:27 – 1:26	Period 4
1:26 – 2:11	Lunch
2:11 – 3:10	Period 5

I will confirm these times in due course and will keep you updated of any further decisions in relation to 2024 planning.

Eltham High School STEAM Centre

Work on the development of the EHS STEAM Centre is on the way. The school has already engaged with the Victorian Schools Building Authority, outlining our education rationale for the need for such a facility to enhance the learning of our students and teachers.

The outcome of this work initially is the development of the School's Facilities Masterplan and post this, conversations will begin with architects for the design of the space.

We are excited to be involved in this work and although this adds to our workload, we are very pleased that we are already on the move with this project towards achieving our goal for our students.

There is not much to report on at this stage, but rest assured that I will keep you informed as we proceed with this work. Shortly we will be communicating our plan to undertake this work to our local and wider community.

Eltham Drama

EHS Junior Drama will be presenting a double feature:

Improvlympics and You Suck

The Year 7 Drama students will present an improvised competition you won't soon forget.

The Year 8 Drama students will present a comedy about vampires called 'You Suck!'

Student Enrolment Information

All families should have received a confirmation of enrolment information form.

We ask that you review all details in the form and if there are changes required to any of the information in the document (in relation to phone and address details, family occupation codes, student medical information, emergency contacts etc.) can you please note the changes required on the form and return it to the general office at reception@elthamhs.vic.edu.au.

We request that any changes required are returned to the General Office by the end of Term 2, 23 June, 2023.

I am sure that you understand the importance of having up to date information on each of our students for a variety of reasons.

Often if changes occur throughout a year, parents/carers forget this importance. We only find out that there has been a change in an emergency when we are trying to contact parents/carers and find it hard to get in touch.

I ask that you complete the process by the due date and thank you in anticipation of your support with this.

At Eltham High School we work with families to ensure that clear plans and processes are developed and maintained to support students' healthcare needs, either on enrolment or when a healthcare need is identified. A Student Health Support Plan for students who may need medical care or assistance will be prepared by the First Aid Officer in conjunction with the Sub-School (leader or coordinator) in consultation with the student, their parents, carers, and treating medical practitioners.

The Health Care Needs policy should be read with Eltham High School's First Aid, Administration of Medication, Anaphylaxis, and Asthma policies.

PARENTS AND CARERS

Nationally Consistent Collection of Data on School Students with Disability

Dear parents, guardians and carers,

Every year, all schools in Australia participate in the Nationally Consistent Collection of Data on School Students with Disability (NCCD). The NCCD process requires schools to identify information already available in the school about supports provided to students with disability. These relate to legislative requirements under the Disability Discrimination Act 1992 and the Disability Standards for Education 2005, in line with the NCCD guidelines (2019).

Information provided about students to the Australian Government for the NCCD includes:

- Year of schooling
- Category of disability: physical, cognitive, sensory or social/emotional
- Level of adjustment provided: support provided within quality differentiated teaching practice, supplementary, substantial or extensive.

This information assists schools to:

- Formally recognise the supports and adjustments provided to students with disability in schools
- Consider how they can strengthen the support of students with disability in schools
- Develop shared practices so that they can review their learning programs in order to improve educational outcomes for students with disability.

The NCCD provides state and federal governments with the information they need to plan more broadly for the support of students with disability.

The NCCD will have no direct impact on your child and your child will not be involved in any testing process. The school will provide data to the Australian Government in such a way that no individual student will be able to be identified – the privacy and confidentiality of all students is ensured. All information is protected by privacy laws that regulate the collection, storage and disclosure of personal information. To find out more about these matters, please refer to the Australian Government's Privacy Policy:

<https://www.education.gov.au/privacy-policy>

Further information about the NCCD can be found on the NCCD Portal:

<https://www.nccd.edu.au>

If you have any questions about the NCCD, please contact the school.

2023 CSEF Applications

A reminder to families that applications for CSEF in 2023 close on the last day of Term 2 - 23 June 2023.

The Camps, Sports and Excursions Fund (CSEF) provides payments for eligible students to attend activities like:

- School camps or trips
- Swimming and school-organised sport programs
- Outdoor education programs
- Excursions and incursions

If you applied for the CSEF at Eltham High School in 2022, you do not need to complete an application form in 2023 unless there has been a change in your family circumstances. Eltham High School will apply for the CSEF on your behalf.

You will only need to submit an application form in 2023 if any of the following changes have occurred:

- New student enrolments: your child has started or changed schools in 2023 or you did not apply at the same school in 2022 or
- Changed family circumstances: such as a change of custody, change of name, concession card number, or new siblings commencing at the school in 2023.

If applications submitted by the end of term are successful, funds will be made available to families during Term 3.

Payment Process and Closing Dates for Excursions and Activities via Compass

Camps, Excursions, and other school based activities that have a financial charge associated with them fall under the Extra-Curricular Items and Activities category of fees and are offered to students on a 'user pays' basis. They are offered in addition to the standard curriculum.

Cut off dates for payment and consent on Compass are set by the school to assist us in meeting our financial and duty of care requirements for each event. In support of meeting these obligations, we will not extend due dates for events or take late payments.

Administration staff send an email to families when the event is published and a reminder email five days prior to the event closing date. Students are also reminded by their classroom teachers about events and when payment and consent must be received. If payment or consent is not received by the due date, your child will be excluded from the activity and will be supervised by teachers at school.

If you have received CSEF funding and would like to allocate it towards a Compass Event, or have credit on your family statement that you would like to use, please contact Jacinta D'Avoine (Revenue Administrator) 9430 5118 or email accounts@elthamhs.vic.edu.au to arrange for the allocation to be processed.

Please ensure that if payment is made via CSEF, credit allocation or an alternate method to Compass, please ensure that you consent via Compass prior to the closing date once the allocation has been made or payment has been receipted by the school.

If you are having issues accessing Compass, please contact the school for assistance. Thank you for your support with this matter.

Middle School Cross Country Ski Day (Year 8 & 9 students)

Do you like the snow? Never been but would like to try? Like to try cross-country skiing?

Year 8 and 9 students are invited to participate in a 1 day cross-country ski trip to Lake Mountain on **Monday 24 July**. No prior experience is required.

The cost for the trip is \$190, which includes transport, resort entry, ski hire and a 90-minute lesson. The trip will be run by Ross McKinnon, who is an experienced Outdoor Education teacher as well as a past member of the Lake Mountain Ski Patrol.

Expression of Interest forms are available in hard copy from the Middle School Office. These Expression of Interest forms must be returned by the end of the school day on Thursday June 15. There are only 34 places available, and these will be allocated to the first 34 names drawn by ballot on Friday June 16. Families will be emailed on that day, and will be sent consent and medical forms as well as a gear list. The next 10 names drawn will go on the 'wait list'.

To secure their place on this trip families need to complete payment on Compass by the end of the school holidays (midnight, Sunday 9 July). If the event needs to be cancelled due to weather or insufficient snow, a full refund will be available. Please contact Ross McKinnon in the Middle School Office if you require any further information.

STUDENT AGENCY AND GROWTH

Push Up Challenge Update

On Thursday, 1 June, we launched the Push Up Challenge here at Eltham High School. It was great to see students and staff getting involved, trying to reach the daily goal of 90 push-ups together throughout lunch. So far, 50 people have joined our team challenge and are working towards meeting the challenge goal, but also raising awareness for mental health. Only one week in, we have smashed our fundraising goal of \$1000 out of the park, with over \$1500 and counting. We are grateful to those who are getting involved, either through doing the challenge or supporting someone who is.

Stay tuned for more updates next week!

Senior Arts Enrichment Tour 2024

The Arts Faculty is very excited to announce the confirmed dates for the Senior Arts Enrichment Tour to Sydney and the Shoalhaven for 2024 and the proposed itinerary.

Flying to Sydney on Friday, 15 March students will spend two nights in the historic Rocks; and a further two nights at Arthur Boyd's iconic studio and property, Bundanon, located on the Shoalhaven River. After five amazing days of inspiration and creativity students will return to Melbourne on Tuesday 19 March, 2024.

We are calling for expressions of interest from Senior Art and Design students who will be studying an Art or Design Subject in Years 10, 11 or 12 in 2024.

This is an amazing opportunity for students to build their folios and immerse themselves in some profound artistic experiences. They will be visiting the studios of iconic Australian artists, touring major galleries and participating in a range of artist led workshops.

Places are limited to a maximum of 30 students. As we expect more applications than places, acceptance will be determined by written expression of interest, order of receipt and consideration of year level (priority will be given to Year 12s, 11's and then 10's). Forms are available from the General Office and should be returned along with a non-refundable/non transferable deposit of \$600 by Thursday 22 June. This will enable us to secure flights, accommodation and other bookings on this incredible trip.

The total cost is expected to be between \$1,600 and \$1,950 and is inclusive of flights, accommodation, all travel by train, bus and ferry, tours, workshops, entries, theatre tickets, art materials and meals.

For more information contact Lisa Foote at foo@elthamhs.vic.edu.au

The 2024 itinerary includes:

Visits to significant Australian artists' studios and renowned galleries while exploring Sydney's vibrant city and capturing it through drawing, painting and photography. We will visit the Shoalhaven region and stay at Bundanon the home of Arthur Boyd. The tour will address many of the requirements of VCE Study Designs as outlined by the VCAA.

Eltham High School is the first Victorian State Government school to enable its students access to the facilities at Bundanon, in the Shoalhaven region. A few of the proposed highlights include:

- Life drawing at Brett Whiteley's Studio;
- Chinese Brush Ink workshop at the Chinese Friendship Garden;
- Tour of Museum of Contemporary Art and artist run workshop;
- Tour of the Opera House;
- Nighttime theatre performance;

- Visit to Art Gallery NSW to view TOPEXPRESS 2024- an exhibition of the top scoring Year 12 students in NSW;
- Tour of Arthur Boyd's studio and residence;
- Workshops including painting, drawing, photography and printmaking in some of the most iconic places where significant Australian artworks have been created including painting landscapes where Arthur Boyd produced his most significant works of the Shoalhaven river.

Life Drawing Workshops Term 3

An art opportunity for Senior Arts Students and Staff

Eltham High School has collaborated with Nyora Studio Gallery in Eltham to offer our senior Arts students, Years 10 - 12, the opportunity to participate in a series of life drawing sessions.

This is an amazing opportunity for students to further their practice and develop their skills and experience while addressing folio requirements.

The course is recommended for any student who is serious about building their art practice, is exploring the human figure through their folio work or is looking to build a strong folio for applications to further studies in the Arts.

Life drawing sessions will run outside of school hours at Nyora Studio Gallery and are facilitated by local artist and gallery director Emmy Mavroidis. Students will need to make their own way to and from the studio at 1 Nyora Road, Eltham.

Classes are available in six week blocks on a Monday or Tuesday at a cost of \$230 dollars. This includes hire of models, all art materials and tutelage for the six weeks.

Monday sessions will run from 4:00pm- 6:00pm commencing on July 17 and continuing July 24, 31, August 7, 14 and 21.

Tuesday sessions will run from 5:00pm - 7:00pm on July 18, 25, August 1, 8, 15 and 22.

Places are limited to a maximum of 10 participants so register your interest with Lisa Foote foo@elthamhs.vic.edu.au ASAP so that you can be added to the event. Please state your preferred day to attend.

Partners in Parenting

Is your teenager struggling to attend school due to anxiety, depression or emotional distress?

Be among the first to trial a new online parenting program designed to support parents of teens struggling with school attendance.

Researchers from Monash University and Deakin University are offering parents a **FREE online parenting program** designed to support parents of teenagers who have **difficulty attending school due to anxiety, depression, or emotional distress** (sometimes called 'school refusal', 'school can't', or 'school phobia'). The program is being offered as part of a research trial.

What's included in the program?

- A parenting self-assessment tool with personalised feedback
- Up to 13 online modules with practical strategies to support your teen's mental health and school attendance
- Complete weekly modules and work towards goals

Who can take part?

You may be eligible to participate if:

- you are the parent or guardian of a teenager aged 12-18
- live in Australia
- can read, write, and speak in English,
- have regular access to the Internet.

The program is not recommended as a sole source of support for young people experiencing school refusal. We recommend seeking professional support from a mental health or education professional alongside completing this program. Although all parents are able to take part, please also note that the program content is not tailored for parents of teenagers with Autism Spectrum Disorder or intellectual disability.

What else is involved?

To help us evaluate the program, we'll ask you to complete two online surveys about your parenting and your teen's mental health. We may also invite you to complete an interview about your experience with the program. You'll receive a \$20 gift voucher after completing the second survey, and an additional \$20 gift voucher if you complete an interview.
