

ELTHAM HIGH SCHOOL

POLICY DOCUMENT *Refunds*

INTRODUCTION

Parents/Families/Guardians are asked to pay for a variety of activities and services run by Eltham High School. From time to time there may be occasions where the student is unable to attend the activities for a variety of reasons. The aim of this policy is to have a fair and equitable system in place and to provide a clear understanding of how refunds will be processed.

PHILOSOPHY

Eltham High School encourages students to attend a wide range of activities to enhance their learning experience. The School must ensure that the provision of any activity for students does not incur a cost directly on the School and that the activity does not run at a loss. When students withdraw from an activity after payment has been made to the School for all or part of the activity, a refund may be applied for in line with this policy.

POLICY STATEMENT

This policy covers the processes required by parents/families/guardians to apply for refunds and also the process that the School will undertake to provide refunds.

GUIDELINES FOR IMPLEMENTING THIS POLICY

- For camps/tours there is a non-refundable/non-transferable deposit paid by families and then a final balance payment. If after paying the deposit or paying the full amount for a camp/tour a student does not attend a camp/tour the deposit portion will not be refunded.
- All refunds must be applied for in writing, other than when the School cancels an activity.
- Parents/families/guardians must apply for a refund no later than 14 days after the activity taking place including the reason the student did not attend.
- A refund will be considered in light of the viability of the activity for other students being compromised and/or the School being financially disadvantaged as determined by the Principal.
- All refunds will be made via a bank transfer to the recipient.
- If a student cannot attend an activity due to school discipline processes, the refund process outlined above will apply.
